)	ORDER EXTENDING TIME TO FILE IN
)	THREE CASES

BACKGROUND

These Matters came before the Court on Appellant's Motion for Extension of Time to Obtain Transcripts, and to file their respective briefs in the above matters, dated December 6, 2019. The Motion identifies only that it is related to the lower court case by number and does not identify which of the three separate appeals captioned above it actually relates to. Due to this confusion, and the fact that lower court transcripts will related to all three appeals, the Court finds reason to none the less consider this motion.

The Court further is aware that despite some three weeks having passed since this motion was filed, has received no opposition to the Motion.

APPLICABLE LAW

The Court looks to SRMT Rules of Appellate Procedure, Rule IV(B). The Court finds GOOD CAUSE To extend time to file.

The Motion should have complied with SRTM Rules of Appellate Procedure, Rule VII(C). Nevertheless, the Court finds GOOD CAUSE to grant the Motion, and does so without having received a response from the opposing party.

ORDER

Appellant's Motion for Extension of Time for Plaintiff to file its brief and submit transcripts in each of the three above-captioned cases is approved and the Appellant shall have until January 31, 2020 to file all documents required by the Saint Regis Mohawk Tribe's Rules of Civil Appellate Procedure.

The parties are ordered to clarify in the future to which of the three above-captioned case the briefs/motions apply. Failure to do so may result in an adverse ruling.
